H5. Publication of Educational Offerings

Catalogs and bulletins used by the school to describe its educational offerings must be publicly available and must accurately describe its academic calendar, admissions policies, grading policies, academic integrity standards and degree completion requirements. Advertising, promotional materials, recruitment literature and other supporting material, in whatever medium it is presented, must contain accurate information.

1) Provide direct links to information and descriptions of all degree schools and concentrations in the unit of accreditation. The information must describe all of the following: academic calendar, admissions policies, grading policies, academic integrity standards and degree completion requirements.

An academic calendar for the institution may be found here. In addition, grading policies for the institution may be found here.

Academic integrity standards are outlined in the student honor code and student conduct code found here and here. Student Conduct Code Incidents may be reported here.

Links to individual degree programs and concentrations along with information may be found here.

Additional information on department requirements, including admissions policies and degree completion requirements for each department or program, are found:

- Biostatistics
- Clinical and Health Psychology
- Environmental and Global Health
- Epidemiology
- Health Services Research, Management and Policy
- Occupational Therapy
- Physical Therapy
- Public Health graduate programs
- Rehabilitation Science
- Speech, Language, and Hearing Sciences
- Undergraduate degree programs
