

**PhD in Epidemiology
Concentration Request Form**

Student: _____

UFID: _____

1. Concentration(s) (up to two) requested:

- Cancer Epidemiology (Concentration Coordinator: Dr. Lusine Yaghjian)
- Genetic Epidemiology (Concentration Coordinator: Dr. Jinying Zhao)
- Gero-Epidemiology (Concentration Coordinator: Dr. Catherine Striley)
- Infectious Disease Epidemiology (Concentration Coordinator: Dr. Volker Mai)
- Psychiatric Epidemiology (Concentration Coordinator: Dr. Catherine Striley)
- Data Science Epidemiology (Concentration Coordinator: Dr. Mattia Prosperi)
- Clinical and Translational Science Interdisciplinary Concentration*

Please note: Enrollment in this concentration requires a separate, additional application to the Clinical and Translational Science Institute.

2. I understand that, in addition to 9 credits of required coursework, each concentration requires that I submit either a) dissertation aims, or b) a first-authored publication, that documents research in the area of the concentration.
